AB Welding Services  
Unit 64 Block 8  
Farmway  
Mansfield Woodhouse  
Notts  
NG19 9BG

A B Welding Services have given our company excellent service over the past 6 years. Work undertaken includes structural steelwork, handrails, production fabrication and installation of an entrance and exit barrier.

Andy Bennett's work is always of the highest order, delivered on time and always at a competitive price.

I have no hesitation in recommending his services.

Andrew S Tyler
